

Zoology Graduate Fellowships 2012-13 Competition

The Department of Zoology is pleased to announce the Zoology Graduate Fellowships Competition. We will be offering 1-year Zoology Graduate Fellowships of **up to \$16,000 each** for the academic year 2012-13.

- Deadlines
 - Current Students: January 13, 2012 (Friday) at 4:00 p.m.
 - Incoming Students: February 1, 2012
- Application Materials:
 - For current students:
Application form, 2 letters of reference, unofficial transcripts, and a 1-page list of accomplishments (publications, presentations, work experience, awards, etc).
 - For incoming students:
Application for admission to our graduate program. There is no separate application process. See link:
<http://www.zoology.ubc.ca/graduate-studies/how-to-apply>
- Criteria:
 - 1st class standing in each of the last 2 years of full-time studies (to calculate, Year = September to August, except for some foreign universities)
 - **MSc students** are eligible to receive the Zoology Graduate Fellowship funding during the first 24 months of their MSc program.
 - **PhD students** are eligible to receive the Zoology Graduate Fellowship funding during the first 60 months of their PhD program.
 - Zoology Graduate Fellowship holders are required to apply for Affiliated Fellowships and NSERC/CIHR scholarships in September 2012 (if eligible).
 - For students who hold any external awards (Non-Zoology Awards) in academic year 2012-13:

Students offered both a Zoology Graduate Fellowship and external funding (ie, Faculty of Graduate Studies awards, Tri-council scholarships, and other external awards) must accept the external award.
