

UBC Animal Wastes Disposal Declaration - 2014

To UBC Environmental Services Facility,

I understand that:

1. By indicating "Anatomical Animal" or "Uncontaminated Animal Carcasses" on the ESF waste disposal tag, I certify that the related animal wastes do not contain Risk Group 2 or Risk Group 3 agent

And

2. By indicating "Pathological Animal" and "Risk Group Information" on the ESF waste disposal tag, I certify that the animal wastes only contain the risk group agent that is declared on the waste disposal tag.

Principal Investigator: Dolph Schluter

Waste Generator ID: G-0376

Department: Zoology

Full Address: 6270 University Boulevard  
Vancouver, BC V6T 1Z4

Phone: 604 822 2387

Date: February 6, 2014

Signature: \_\_\_\_\_
