

North, Klein, and Brown Lakes, Sechelt Peninsula

North Lake comment: Philip Waddell (6030 Egmont road, turning is just after the road goes skirts the lake shore) has a jetty we can use, and the sand on his beach is a really good place to dip net. Phone 604-883 2089 (Egmont) or 604-254 0890 (Vancouver).

Brown lake is in a provincial park, located along a popular trail to the 'Skookumchuk Rapids'. Drive in and park at the trail head. A 10-15 min walk brings you to Brown Lake (first lake along trail). Bring a dolly or wheelbarrow if carrying more than 10 traps. **BE CAREFUL: LOTS AND LOTS** of snags/deadheads under the water so be careful where you throw traps. If traps get stuck, swim to retrieve them.
