|--|-----------------------------|-----------------------------------|---|----------------|
| Threespine Stickleback<br>(Gasterosteus aculeatus) | Adults<br>Diploid           | Little Campbell River, White Rock | University of British Columbia, INSEAS Facility |                |
| Threespine Stickleback<br>(Gasterosteus aculeatus) | Adults<br>Diploid           | Oyster Lagoon, Pender Harbour     | University of British Columbia, INSEAS Facility |                |
| Total:   |                             |                                   |   | 500            |

This licence is issued on behalf of the Minister of Fisheries, Oceans and the Canadian Coast Guard.

#### Specific Conditions of Licence:

1. All animals transferred under this licence must be destroyed and properly disposed of at the end of the research experiment.

#### Introductions and Transfer Licence Conditions as per section 22(1) of the *Fishery (General) Regulations*:

1. Precautions and procedures will be taken to prevent introduction of undesirable flora/fauna and spread of diseases/parasites as indicated on application form.
2. This licence must accompany the transfer.
3. Complete and submit a Record of Transfer Form to the Department no later than 30 days after the transfer activity.

**This document authorizes the holder to do only the things described above within British Columbia. It does not excuse the holder from any other obligations under any other federal or provincial legislation, whether concerning fish or otherwise.**
